

# Character

Your character can show strength through; grit, tenacity, perseverance, resilience, reliability, and honesty.

# Communication

You can communicate in a variety of ways including; digital, writing, and speaking to a range of audiences. You listen and respond to ideas shared by others.

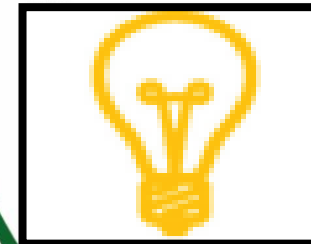

# Citizenship

You are able to think like a 'global' citizen, part of our school and local community. You want to make our world a better place, and can consider environmental issues.

# Creativity

You are creative and can 'think outside the box'. You like to ask questions and find new ways of solving problems.

## Our Learning Values

### The 6 C's

# Collaboration

You can collaborate with others. You can work independently and as a team member. You like to learn from and contributing to the learning of others.

# Critical Thinking

You can think critically and evaluate your learning. You can explore different ways of solving problems and answering questions. You are able to see patterns and connections and can apply what you have learnt in the real world.
