2. Introduction

The Pines is committed to meeting our obligations with regard to school attendance, including those laid out in the Department of Education's (DfE's) statutory guidance on [working together to improve Academy attendance 2024](#), through our whole-school culture and ethos.

The Pines seeks to ensure that all its pupils receive an education which enables them to reach their full potential. Attendance in school has a widely evidenced and far-reaching impact on attainment, however the significance goes beyond academic achievement.

Being present in school is crucial, not just for educational results but also for fostering vital social skills and a sense of belonging in children and adolescents. Regular attendance cultivates the friendships and social interactions that are fundamental to school life and development into emotionally resilient adults.

There is a strong link between good attendance and increased attainment. Pupils who regularly attend school make much better progress socially and academically. Regular attendance enables pupils to adapt better to routines, school work, and friendship groups.

The Pines aims to work in partnership with parents and families, listening to and understanding any barriers to attendance and will work with them and other agencies to ensure that every child can get the best out of the educational opportunities provided.

We are committed to a whole school and community approach to attendance and a partnership relationship with parents and carers. Our aim is to ensure that all pupils experience a deep sense of belonging to their school community.

This policy is part of a suite of safeguarding and pastoral policies and should not be viewed in isolation. Policies include but are not limited to:

- Child Protection and Safeguarding Policy
- SEND Policy
- Behaviour policy
- Anglian Learning Alternative Provision Guidance
- Medical Needs Policy
- Mental health and wellbeing Policy

4. Legislation and guidance

4.1 This policy is based on the Department for Education's guidance, [Working together to improve school attendance 2024 \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

- The Local Authority must provide school places to parents who wish their children to be educated at school
- The school must complete attendance registers at the beginning of the morning session and during the afternoon session
- The school must report to the Local Authority pupils who are absent for more than ten days without explanation
- The Local Authority has a duty to ensure that parents fulfil their legal responsibilities
- Failure by parents to ensure the regular attendance at school of a registered pupil is an offence punishable by law

[Education Act 1996 \(legislation.gov.uk\)](https://legislation.gov.uk) - Part 6

Efficient and accurate recording, monitoring and sharing of attendance data.

Contact with parents and carers on the first day when absence is unexplained.

Follow the DfE Medical Needs guidance for children who are failing to access education in school due to medical needs, putting in place Health Care Plans as required.

Working alongside other external services and teams to support attendance.

6. Roles and responsibilities

All members of staff have a responsibility to promote and support a culture of high attendance at The Pines. All staff have a safeguarding responsibility for identifying trends in attendance and lateness, with the Headteacher having overall responsibility for the monitoring of attendance and lateness of every pupil. Where there are concerns, parents will always be informed by letter and / or a conversation and will be given the opportunity to come into the school to meet with relevant staff.

A break down of the expectations of how different staff members play a critical role in both the promotion of good attendance and the safeguarding and monitoring of those who need support with attendance is outlined in **Appendix 1**.

7. Attendance Procedures

7.1 Attendance Register

The academy will keep an electronic attendance register and place all pupils on this register. There are two formal registration sessions a day.

The register will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances.

See **Appendix 1** for the DfE codes

7.2 Registration

- Registration takes place each morning at 8.55 am and each afternoon at 1pm
- Registers will close at 9.10am and 1.10pm
- Class teachers will enter a present mark (/) on the register for each pupil present and an absence code for any pupil that is absent.

7.3 Responding to lateness to AM and PM Registration

- Pupils arriving in the classroom after 9 am when the register has been taken are deemed to be late and will be marked as L code.
- After 9.30 the pupil is deemed to be officially late/absent. Any pupil arriving after these times will be marked U, which is an absence code. In case of emergency, the register shows the pupil is on the premises, but they will not receive a present mark toward their overall attendance.

7.4 Responding to lateness for other registered sessions

- Parents / carers will be contacted if their child is regularly late.
- If a pupil is late to registration or a lesson, the school reserves the right to apply consequences in line with the published Behaviour Policy.

7.5 Unplanned absence

Each day of unplanned absence the pupil's parent/ carer must:

- Phone/email or use the online form to notify the school office by 9.30am

We will mark absence due to illness as authorised unless there is a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent / carer to provide medical information, such as a doctor's note, or appointment card. We will not ask for medical information unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this.

7.6 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent / carer notifies the school in advance of the appointment.

We encourage parents / carers to make medical and dental appointments outside of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Other types of term-time absence should be applied for in advance of the requested absence, as detailed in Section 8 Types of Absence.

7.7 Responding to absence

Where any pupil does not attend, without reason, the school will:

1. Contact the pupil's parent / carer on the morning of the first day of unexplained absence.
2. If the school cannot reach any of the pupil's emergency contacts, the school may in some circumstances, make a home visit, call the police or inform social care on that day.

3. Contact the parent / carer on each subsequent day of unexplained absence, to ensure proper safeguarding action is taken where necessary.
4. Where the school has concerns over the welfare of a pupil or has not made contact with the parent/ carer within 3 days, a welfare visit will be made.
5. Contact other schools where any siblings attend.
6. Consider involving Local Authority Attendance Officers as well as other agency partners.
7. Monitor repeated absences.
8. Be in touch with families where attendance drops below 95%.
9. Communicate clear targets for improvement to pupil and parent or carer.
10. Organise meetings and support to identify, remove and review barriers to regular attendance.
11. Refer to the local authority attendance services for advice and possible legal action if attendance does not improve.

7.8 Reporting and rewarding good attendance

The academy will regularly inform parents about their child's attendance and absence levels via Bromcom (using MCAS app). The attendance data is also communicated via the annual reports and maybe discussed during parent consultations.

7.9 Use and retention of attendance data

We will keep every entry on the attendance register for six years after the date on which the entry was made.

We use data to monitor, identify, and support individual pupils and groups of pupils when their attendance needs to improve.

Persistently and Severely Absent pupils are tracked and monitored carefully.

Information about these pupils is shared with other schools in the area, within Anglian Learning, with Local Authorities and other agencies.

Schools are required to submit their pupil attendance data to the Department of Education on a daily basis.

Schools are required to submit individual pupil data to the Local Authority where there has been:

- 10 consecutive days of unauthorised absence
- 15 consecutive days of illness

8. Types of Absence

Every half day of absence has to be classified by the school as either authorised or unauthorised.

8.1 Authorised absences

Are for reasons such as illness, medical appointments, or other unavoidable circumstances. In these instances, academies can grant a leave of absence when a pupil needs to be absent with permission. Examples are:

- Attending an interview for entry into an educational establishment
- Study leave for public exams
- Religious Observance - only day(s) exclusively set apart for religious observance by the religious body to which the pupil's parents belong to.
- A temporary, time limited part-time timetable for exceptional circumstances
- Exceptional circumstances: the school will consider each request individually, taking into account individual facts and circumstances. The school may consult with Anglian Learning or the Local Authority to determine exceptional circumstances.

Parents who wish to make a request for a leave of absence may do so by writing directly to the headteacher detailing the reasons for and length of the absence.

8.2 Unauthorised absence and Term time holidays

Unauthorised absences are those which the school does not consider exceptional. These include but are not limited to:

- Tiredness / late night
- Minor illness and injury that does not impact on ability to learn or be in school
- Pupils who arrive late after the close of the register.
- Birthday celebrations
- Day trips
- Term time holidays

There is **no** entitlement in law for pupils to take time off during the term to go on holiday. The DfE does not consider a need for a holiday to be an exceptional circumstance.

Where a term time holiday is suspected or known about, and the national threshold is met (10 sessions of unauthorised absence within a 10 week period) the school will work with the Local Authority to issue a penalty notice. (Appendix 4– Penalty Notices)

8.3 Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the government as '**severely absent**'. Pupils within this cohort may find it more difficult to be

in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support. A school may make a referral to social services when a pupil is severely absent due to unauthorised absences.

9. Working with Pupils and Families

Pupils with the highest attainment at the end of Key Stage 2 have higher rates of attendance compared to those with the lowest attainment. Attending school is essential for pupils to allow them to get the most out of their educational experience.

The Pines recognises that some pupils find it harder than others to attend school due to a medical need or a special educational need. We are committed to working collaboratively with pupils and parents to remove those barriers and to put support in place.

Ways in which we may do this are:

- Supportive phone calls and emails home
- Class teacher check in with pupil
- Help to catch up on missed work and identify barriers to learning
- Pastoral support to identify and mitigate barriers / anxieties surrounding school
- SEND assessments and referrals where appropriate
- Reasonable adjustments to school provision and routines
- Letters home advising of support available
- Informal and supportive meetings with the class teacher and/or Family Well-Being Lead
- Offers of an Early Help Assessment or support from other agencies or services
- Consideration of alternative types of education in some circumstances where professionals indicate that medical or SEND needs cannot be met in school

Further details on attendance processes at The Pines see **Appendix 3: Flow Chart of Attendance Processes**.

10. Working with the Local Authority School Attendance Service

When the school have worked with families over a period of time and there has been no improvement in attendance patterns, then the school may decide to make a referral to the Local Authority Attendance Service. Prior interventions may include, but are not limited to: an attendance phone call, an attendance letter home, an Attendance Contract Meeting. A school record will be made of these interventions.

Before any referral to the Local Authority is made, the school will offer families a formal Attendance Contract meeting in which support will be offered, actions identified and attendance targets set within a monitoring period.

- The Pines works in partnership with the Statutory School Attendance Service to devise a strategic approach to attendance.
- The headteacher will meet with an Attendance Improvement Officer from the School Attendance Service when required, to discuss and improve attendance for pupils whose attendance falls below acceptable levels.
- Action plans will be developed for persistently and severely absent pupils. (Persistently absent is below 90% and Severely Absent is below 50%) See **Appendix 3: Flow Chart of Attendance Processes** for detailed approaches
- If parents / carers do not proactively engage with support offered through the action plan, then formal legal intervention may be requested from the School Attendance Service.

Statutory intervention can include

- Penalty Notices
- Parenting Order
- Education Supervision Order
- Prosecution

Where a term time holiday is suspected and the National Threshold of 10 consecutive sessions of unauthorised absence are met, the school reserves the right to issue a penalty notice.

11. Children Missing Education (CME)

A child who is absent as well as missing from education is a potential indicator of abuse or neglect. Where a child has not attended school for 10 days without explanation or contact, they will be referred to the Local Authority as a Child Missing in Education. After 10 days of absence without explanation, your child is at risk of losing their school place.

12. Elective Home Education

It is a parent's right to be able to withdraw their child from school to educate them at home if they wish to. There are legal responsibilities parents / carers must fulfil if they wish to educate their child at home, which are monitored by the Local Authority. Please speak to the headteacher in the first instance if you are considering this option.
