

Owl class

Welcome back! This half term we will be looking at 'Tudor Life'.

Most of our learning will be linked to our main theme, although some subjects i.e. Maths, will continue to be taught separately.

In **English** we will be looking at Shakespeare's plays and how the language was used in comparison to now. As well as reading *Treason* by Berlie Doherty.

This links with our **history** topic of 'Tudor life', as the later period saw the flowering of the arts, especially the theatre and the plays of Shakespeare.

We will also explore King Henry VIII and Queen Elizabeth I during this topic.

Our **maths** learning will cover:

- position and direction
- negative numbers
- converting units
- volume

In **science** this half term we are going to be continuing with our learning on forces.

In **French** we will cover rooms in a house and activities people do at home.

We will also be joining Year 6 to perform an end of year show, more details to follow

Tremendous Tudor Life

In **Computing** we are learning about vector drawings and how this works. We are creating new media on the computer, using specific tools.

In **art** we are continuing with our lino printing. This includes creating the image on the lino and using ink to print it on material.

How to support your child at home

Homework will be given out each Wednesday and needs to be handed in the following week. We would like to stress that the children do not need to do this independently and adult support is more than welcome.

Practicing times tables at home is a great way to build confidence and fluency in maths, and we encourage you to make it a fun part of your daily routine. Reading together at home is also a wonderful way to bond and develop a love of learning. Our library is stocked with amazing books, and we invite your child to explore and find their new favourite stories. Don't forget to have your child log their reading in their journal so we can celebrate their progress together!

Dates for the diary:

25th June - all day trip to Kentwell Hall

(Children have the option to dress up for this trip)

8th/9th July - Performances (details to be sent soon)

PE days: Monday (yoga) & Thursday (cricket)
