

Transforming Lives Through Inspirational Learning

**The Pines Primary School
Sports Premium Plan 2024-25**

The aim of the Sports Premium Plan is to allow us to specifically target the use of the Sports Premium on activities which enable us to achieve our vision in a way that is sustainable benefiting both pupils today and in the years to come. In order to ensure sustainability, we commit an element of the premium to developing facilities.

At The Pines Primary School, we are committed to offering a broad and balanced curriculum which encourages children to develop as independent, motivated and resilient learners. As part of that commitment we want to ensure we do our best to equip children with the knowledge, skills and motivation to lead healthy active lives and offer a range of opportunities which nurture interests and talents and hopefully sow the seeds for lifelong participation in physical activity and sport as well as widening their life experiences.

Review of last year's spend and key achievements (2023/2024)

Activity/Action	Impact	Comments
Cross-curricular orienteering membership	Pupils across the school are given the opportunity to learn in a more active way. Orienteering is embedded in the PE curriculum.	Pupils enjoy this as a PE topic. It is used by some KS2 classes across the curriculum but we will target the use of it more this year. Need to use it more regularly in a cross-curricular sense to be able to get the most from it.
Membership of Forest Heath School Sports Partnership	Pupils get excellent teaching in specific areas such as dance, balance bikes/bikeability and First Aid training. Teachers learn from these sessions and have access to subject specific CPD. Access to competitive sports across the school in a range of sports at different levels. Gold School Games mark last year.	Clear positive impact for both pupils and staff. Continued membership is key to improvement of teaching and profile of PE.
PE Pal membership to provide planning and assessment of pupils in PE.	Positive feedback from staff on ease of use and lessons. A very good way to monitor pupils. However, issues with the app and accessibility mean we	Some issues around the app closing down and updates. We have decided as a school to buy into the Get Set 4 PE scheme through the trust. This should be a more comprehensive and reliable scheme.
Contribution towards travel expenses for swimming teaching	All pupils in KS2 given the opportunity to access high quality swimming teaching.	We have decided to continue with Years 3 and 5 going to swimming lessons this year. However, the rising costs of this,

Premier Sports coaches in at lunchtime to provide coaching and a football club.	Increased activity for all pupils with each class having a day on the MUGA with a coach, focusing on a different sport each week. Football coaching has improved behaviour during lunchtimes with football. It has also provided the opportunity for a girls football club each week to increase the number is girls taking part in football and sport.	along we not being able to use PE premium money for travel means we may need to cut it down to one class next year. Clear positives for many children from the coaches being in school. However, the cost of having two coaches each day was too much so we have taken it down to one for this year.

Key achievements 2024-2025

Activity/Action	Impact	Comments
Get Set 4 PE scheme introduced across the school	Higher engagement and enthusiasm from teaching staff in PE lessons and planning. Well planned lessons and units of work boost pupil participation and enjoyment. Better planning and monitoring across the school so the PE lead can assess areas for growth or change.	Will continue to monitor next year and assess where CPD may be needed for specific subjects or use of the monitoring and assessment tools.
Membership to sports partnership	Increased participation from pupils of all ages in inter-school activities. More opportunity and inclusion for SEND pupils to take part in events. CPD for staff to improve specific skills.	Membership to be renewed next year with a specific view to taking advantage of CPD and entering more competitions aimed at SEND or Girls.
Access to Cross-Curricular Orienteering	Use of CCO has been affected by development of the school site this year but has been used on a smaller scale. To work on compass and map reading skills.	New equipment and signs have been purchased to use next year on a larger scale.
Premier sports coaches for lunchtime clubs	A wider range of sports activities have been run during the year on the sports court. Pupils are given the chance to participate in competitive games and receive coaching and advice on improvement.	Pupils enjoy the opportunity to play competitive games alongside OPAL activities. Coaches will continue to run lunchtime clubs next year.
Equipment for OPAL and playtimes	A range of equipment has been replaced and bought during the year. Pupils are given wider opportunities to explore the way that	Audit has been undertaken at the end of the Summer term to assess which areas of play may need more equipment and focus

	they play. Damaged equipment that is no longer safe can be replaced.	for next year.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	89%	<i>26/29 pupils were able to swim 25m confidently. 3 pupils were still not able to swim without putting their feet on the pool floor</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	89%	<i>26/29 pupils were able to show a range of strokes.</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	89%	<i>26/29 pupils were able to perform safe rescue.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	<i>Pupils have had swimming lessons in two separate years at school. Progress has been made but the pupils who have not met expectations need more consistent exposure to swimming outside of school for us to be able to confidently assess them as meeting requirements.</i>
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	NO	<i>Swimming is taught by qualified instructors at the Local swimming pool, so school staff do not teach.</i>

Signed off by:

Head Teacher:	<i>Kerry Darby</i>
Subject Leader or the individual responsible for the Primary PE and sport premium:	<i>Michael Cocks – Class teacher and PE Lead</i>
