

This half term...

Our new learning this half term is...

"What happened to the Titanic?"

Our focus will be on the Titanic. We will be finding out what was so special about it, what life onboard was like and how it sank.

We hope to have an exciting half term of learning!

English

In English, Rabbit class will be focusing on non-fiction writing. The children will become experts on the Titanic and produce a non-chronological report.

We will be inviting parents in at the end of the half term for children to share this with you.

How to help your child at home

Working in partnership is important to us and makes such a difference to your child's progress. We would like to make sure that all children are completing their 'home learning'

Reading for a least 5 minutes each day - Parents recording a short note in their reading record.

Practise any sounds or words your child is struggling with at least 3 times a week.

Practise reading and spelling the tricky words/common exception words.

Please ask if you have any questions.

Rabbit Class

Autumn Term 2 2025

What happened to the Titanic?

P.E.

PE will be on Tuesday afternoon and Friday morning, so please ensure your child wears their P.E. kit to school on Tuesday and Friday. We will be learning about Team Building and Fundamentals.

Maths

In Maths, we will continue with our addition and subtraction work by using number lines and different mental strategies to add and subtract larger numbers.

We will also be recognising and describing 2D and 3D shapes at the end of this half term.

R.E, RSE & Music

In RE we will be learning about the Christmas celebration and Thanksgiving.

PSHE this half term will cover the topics of rights, rules and responsibilities.

Curriculum

In History we will be learning about the 'unsinkable ship' and what life was like onboard the Titanic. We will also be finding out what happened to the ship and what was learnt from the disaster.

In Science, we will be looking at the importance of exercise, food and hygiene. We will also be doing Art this half term involving clay model making and painting!

Finally, in Computing we will be looking at how computers can be used to make music.

Dates for your diary

Christmas Performance:

15th & 16th December

Christmas Jumper Day

17th December
