

This half term...

Our new learning this half term is...

"How does your garden grow?"

Our focus will be on plants. Most of our learning will be linked to our main theme, although some subjects i.e. Maths, will continue to be taught separately.

We hope to have an exciting half term of learning!

English

Our English will be linked to our Plants topic this half term. We will be exploring 'The Flower' by John Light. We will be focusing on writing instructions and explanations.

We will also be using a variety of books to continue our focus on reading skills.

How to help your child at home

Working in partnership is important to us and makes such a difference to your child's progress. We would like to make sure that all children are completing their 'home learning'

Reading for a least 5 minutes each day - Parents recording a short note in their reading record.

Practise any sounds or sounds your child is struggling with at least 3 times a week.

Practise reading and spelling the tricky words/common exception words.

Please ask if you have any questions.

Rabbit Class

Summer Term 1 2026

Plants: How does your garden grow?

P.E.

PE will be on Tuesday afternoon and Friday morning, so please ensure your child wears their P.E. kit to school on Tuesday and Friday. We will be learning about Dance and Striking & Fielding Games.

Maths

In Maths, we will look be looking at mass/capacity and fractions. We will be finding fractions of shapes and numbers.

We will also be beginning our unit of time at the end of the half term. If you can it would be very helpful to talk to your children about the times of your daily routine at home. We will be focusing on o'clock and half past to start with building up to quarters and five minutes.

R.E, RSE & Music

In R.E. the children will be finding out about how celebrating Pentecost reminds Christians that God is with them always?

Dates for your diary

Wandlebury trip: 20th May
Multicultural Day: 18th May

Curriculum

This half term we will be looking at Geography and understanding the difference between the physical and human features of a landscape.

In Science, our focus will be on plants and their requirements for growth. We will be setting up different experiments and making observations.

Our Art this half term will be linked to our book 'The Flower' looking at the art of Matthew Wong to create our own version using acrylic paint.
