

# Rabbit Class

## Summer term 2

### This half term...

Our new learning theme for this half term is...

"What is it like to live by the coast?"

I am

really excited for our final theme. We will be looking at some brilliant books as well as doing some cooking and going on a final trip.

Most of our learning will be linked to our main theme, although some subjects i.e. Maths, will continue to be taught separately.

### P.E.

PE will be on Tuesday and Friday afternoons, so please ensure your child wears their P.E. kit to school on Tuesday and Friday. We will be learning about Invasion Games and Athletics.

### Maths

In Maths, we will start this half term looking at time. We will recap telling time to o'clock and half past before moving on to look at quarter past/to the hour. We will also start to look at writing the time to the nearest 5 minutes. We will then move onto look at statistics. The children will interpret and construct simple pictograms, tally charts, block diagrams and simple tables. We will also be answering simple questions about these. Finally we will be looking at position and direction.

### English

In English, we will be using the book 'Flotsam' by David Wiesner to recap and develop our punctuation, grammar and sentence types knowledge. We will then be looking at the book 'The See Saw' by Tom Percival and writing diary entries from the perspective of the teddy in the story.

WHAT IS IT LIKE  
TO LIVE BY THE  
COAST?

### Dates for your diary

WC 22<sup>nd</sup> June- Pines' got talent auditions

Friday 26<sup>th</sup> June: PFA Summer Disco

Wednesday 1<sup>st</sup> July: Sports Day

Friday 10<sup>th</sup> July - Pines' got talent final

Wednesday 15<sup>th</sup> July- Move up day
