

Introducing...

OUR NEW PRIMARY MENU

We're excited to introduce our new primary school menu, launching after the October half term!

Building on our commitment to healthier school food, the new menu brings exciting dishes and nutritional improvements, while keeping meals familiar, tasty and enjoyable.

MORE FRUIT, LESS SUGAR

We're adding another fruit-based dessert day to help reduce sugar, alongside our usual fresh fruit and yoghurt options.

MORE FIBRE

Our pasta will now be a 50/50 blend of wholegrain and white pasta, adding around 1.5g more fibre per serving without compromising on taste.

23% more protein

A FIVE-STAR FAVOURITE

We're introducing Sausage in a Yorkie – our take on Toad in the Hole. Following a five-star rating from pupils and parents during trials, we've made it even better: 23% more protein • 1g more fibre • 68% less salt • 40% less fat.

ALREADY MOVING BEYOND THE STANDARDS

We're already working towards the proposed School Food Standards, with no deep-fried food, more veg, beans and lentils, wholegrains and more fruit instead of sugary desserts.

We'll continue making gradual improvements over the coming months in readiness for the changes, keeping meals familiar and tasty, and keeping you updated.

SAVING PARENTS TIME & MONEY

Did you know **all children in Reception, Year 1 and Year 2 receive free school meals**? Children in Year 3 and above may also qualify, potentially **saving families around £500** a year. That's a tasty, balanced meal every school day, with no lunchbox to prepare!

Check your eligibility: www.gov.uk/apply-free-school-meals

We'd love to hear what pupils are enjoying, what's working well and where we can improve. **Please share your feedback with us at hello@impactfood.co.uk.**

We hope pupils enjoy discovering their new menu after half term!
